

30th July, 2020

PUBLIC NOTICE

REOPENING OF THE KAKUM NATIONAL PARK TO THE PUBLIC

SATURDAY, 1ST AUGUST, 2020

Per the announcement of His Excellency, the President of the Republic of Ghana during his Address to the Nation (Update No. 14) on Sunday, 26th July, 2020; the Board of Trustees of the Ghana Heritage Conservation Trust (GHCT) and the Management of the Wildlife Division of the Forestry Commission of Ghana have agreed to reopen the Kakum National Park to the public. However, staff and tourists will be required to go through on a daily basis, health protocols and checks from the Main Gate (Entrance), through to all the attractions, including the renowned Kakum Canopy Walkway.

The protocols have been developed per the regulations and guidelines provided by the World Travel and Tourism Council's "Sanitary Measures for the Resumption of Activities in the Tourism Sector, (May, 2020)"; the Ministry of Tourism, Arts and Culture's Guidelines and Protocols for the Tourism and Hospitality Industry (Food and Beverage, Events, Tourism Sites and Attractions) released in June 2020, and the expert recommendations from the Central Regional Directorate of the Ghana Health Service.

On Saturday, 1st August 2020, when we reopen to the public, all staff and visitors will be required to have on face masks/shields at all times on the premises, with appropriate hand washing and sanitising equipment and materials provided at vantage points. The required 2 meter social distance must also be observed at all times. We entreat our patrons to comply with these and other measures to mitigate the infection and potential spread of COVID-19 on our premises.

We look forward to receiving you at the Kakum National Park.

Thank you

Samuel Annan-Riverson
